ACCREDITATION

In demand towards the following societies

SSR/SGR (Radiology)

SSGO/SGGO (Gynaecology & Obstetrics)

SSED/SGED Swiss Society of Endocrinology

Swiss Urology

SGAIM/SSMIG (Internal Medicine)

SGPATH/SSPATH (Pathology)

INTRODUCTION

Overdiagnosis and overtreatment of diseases detected in their earliest form is a growing public health concern. This workshop gathers multidisciplinary experts and Swiss stakeholders to address key issues around overdiagnosis and overtreatment, and aims at identifying ways to prevent these harms. Evidence and challenges about overdiagnosis and overtreatment will be assessed and critically reviewed, with active exchanges among participants on vignette presentations of cancer and cardiovascular diseases affected by these issues.

Overdiagnosis : How to assess ? How to prevent ?

Friday, March 22, 2019 – 13h-17h, Auditoire Auguste Tissot, CHUV, Lausanne

PROGRAM

13:00 **Registration**

13:30 **Welcome**

Dr PD MER Jean-Luc Bulliard, IUMSP &
Prof. Arnaud Chiolero, BIHAM, Bern University

Symposium: How to assess overdiagnosis and overtreatment?

13:40-13:45 **Introduction**

Dr PD MER Jean-Luc Bulliard, IUMSP, Lausanne

13:45-14:25 **Key notes speaker**

Estimating overdiagnosis in cancer screening: overcoming challenges, avoiding mistakes

Prof. Ruth Etzioni, Fred Hutchinson Cancer Research Center, Seattle, USA

Short presentations: case study

14:25-14:40 **Overdiagnosis and overtreatment of cancer: where do we stand?**

What evidence in Switzerland?

Dr PD MER Jean-Luc Bulliard, IUMSP, Lausanne

14:40-14:55 **About true and false pulmonary emboli**

Prof. Drahomir Aujesky, Insel Spital, Bern

14:55-15:15 Coffee break & Networking

Workshop: How to prevent overdiagnosis and overtreatment?

15:15-15:30 **Introduction and instructions for the group work**

Prof. Arnaud Chiolero, BIHAM, Bern

15:30-15:45 **How to reduce overdiagnosis and overtreatment in daily clinical practice?**

Prof. Nicolas Rodondi, BIHAM, Bern

15:45-16:15 Group work: “How to implement interventions to prevent overdiagnosis and overtreatment?”

moderated by group leaders

16:15-17:00 Plenary: “Which research agenda? Which policy?”

With short presentations by each group leaders of the interventions proposed

Prof. Murielle Bochud, IUMSP, Lausanne, moderator

17:00 END of program

Overdiagnosis : How to assess ? How to prevent ?

Friday, March 22, 2019 – 13h-17h, Auditoire Auguste Tissot, CHUV, Lausanne

REGISTRATION

Name _____ First name _____

Speciality _____

Institution/Hospital _____

Street _____

PC _____ Town _____ Country _____

E-mail _____

Date and place _____ Signature (if fax or postal mail) _____

REGISTRATION FEES

Participant (outside CHUV) CHF 80.00

Master and PhD Students

CHUV/BIHAM

free of charge (a registration is nevertheless required)

Upon registration you will receive a confirmation by email together with the banking details for the payment. Payment by credit card upon registration is possible, and is required for all registrations from outside Switzerland. Written notification is required for all cancellations and changes. In case of cancellation 30 days prior the event, the refund of the amount paid will be done net of CHF 60.00 for administrative costs. Thereafter no refund possible. Administrative costs will be charged to no shows. Legal jurisdiction is Lausanne.
